DARK LUST

A NEW BEGINNING

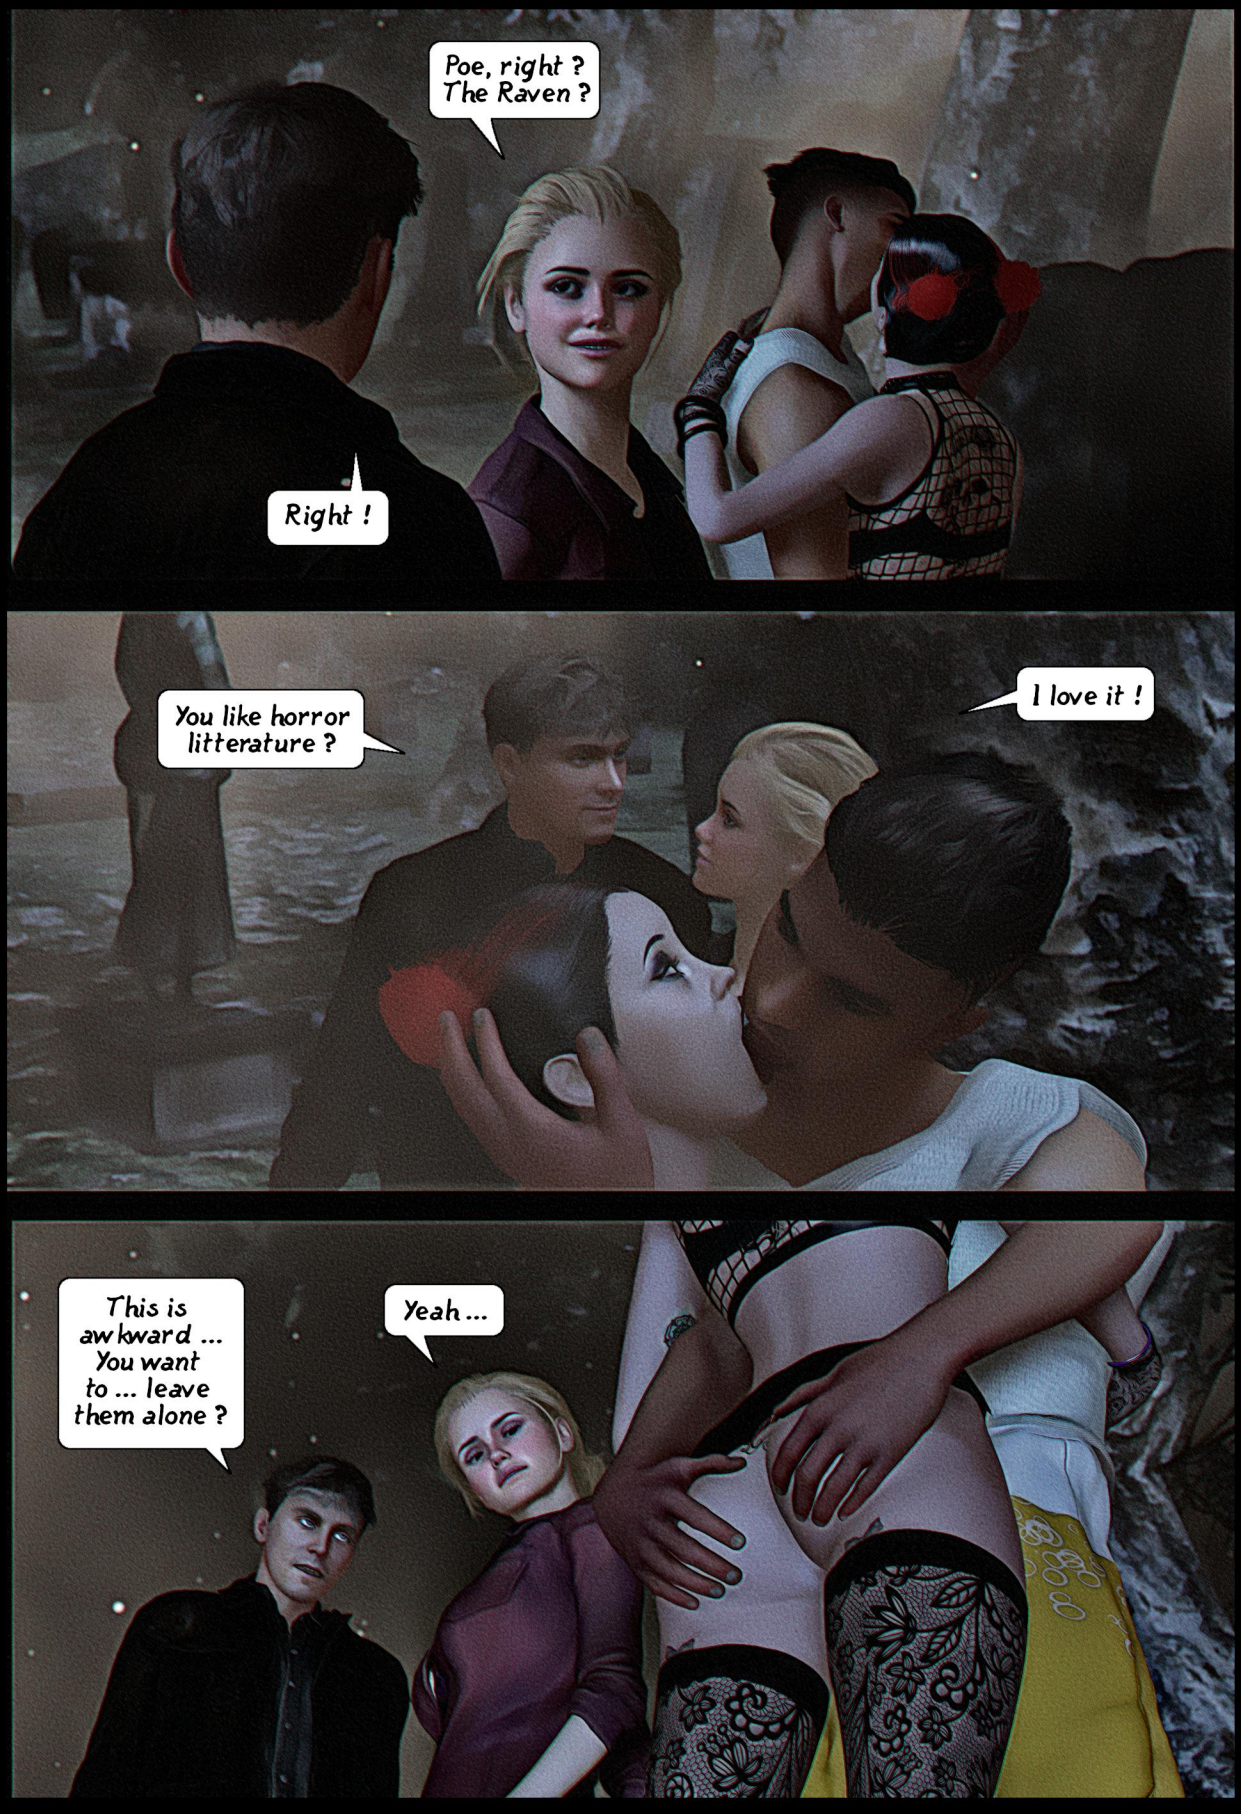

#21 by Falis Made with Virt-A-Mate

"It's said that All Hallows' Eve is one of the nights
when the veil between the worlds is thin -
and whether you believe in such things or not,
those roaming spirits probably believe in you,
or at least acknowledge your existence,
considering that it used to be their own."
Erin Morgenstern

Damn, girl ...
... You might be undead, but you know your way around a living cock ! !
Good thing you're not a vampire, uh ? You suck cum, not blood !
Good one ! ... That reminds me of a story ...

Hello, ghouls and gals ! It's Halloween again ! Ready to be frightingly aroused ?
Have you seen the classic movie "Return of the living dead" ?
Tonight story begins the same, but ends in quite a different way ...
Let me tell you ...
Hey, keep sucking !
Who the hell are you talking to ?
'twas by a misty, moonlit night that a group of young people decided to visit a cemetery ...

This is gonna be fun !
This is stupid, we shouln't be here ...
Oh, you're scared ? Of what ?
Werewolves ?
Vampires ?
Me, I don't fear nothing ...
I have my big man to protect me, Ain't that right ?
You know it, babe !
Don't listen to her ! Fear is the most primal human emotion ...
"Deep into that darkness peering, long I stood there, wondering, fearing, doubting, dreaming dreams no mortal ever dreamed to dream before"

Poe, right ? The Raven ?
Right !
You like horror litterature ?
I love it !
This is awkward ... You want to ... leave them alone ?
Yeah ...

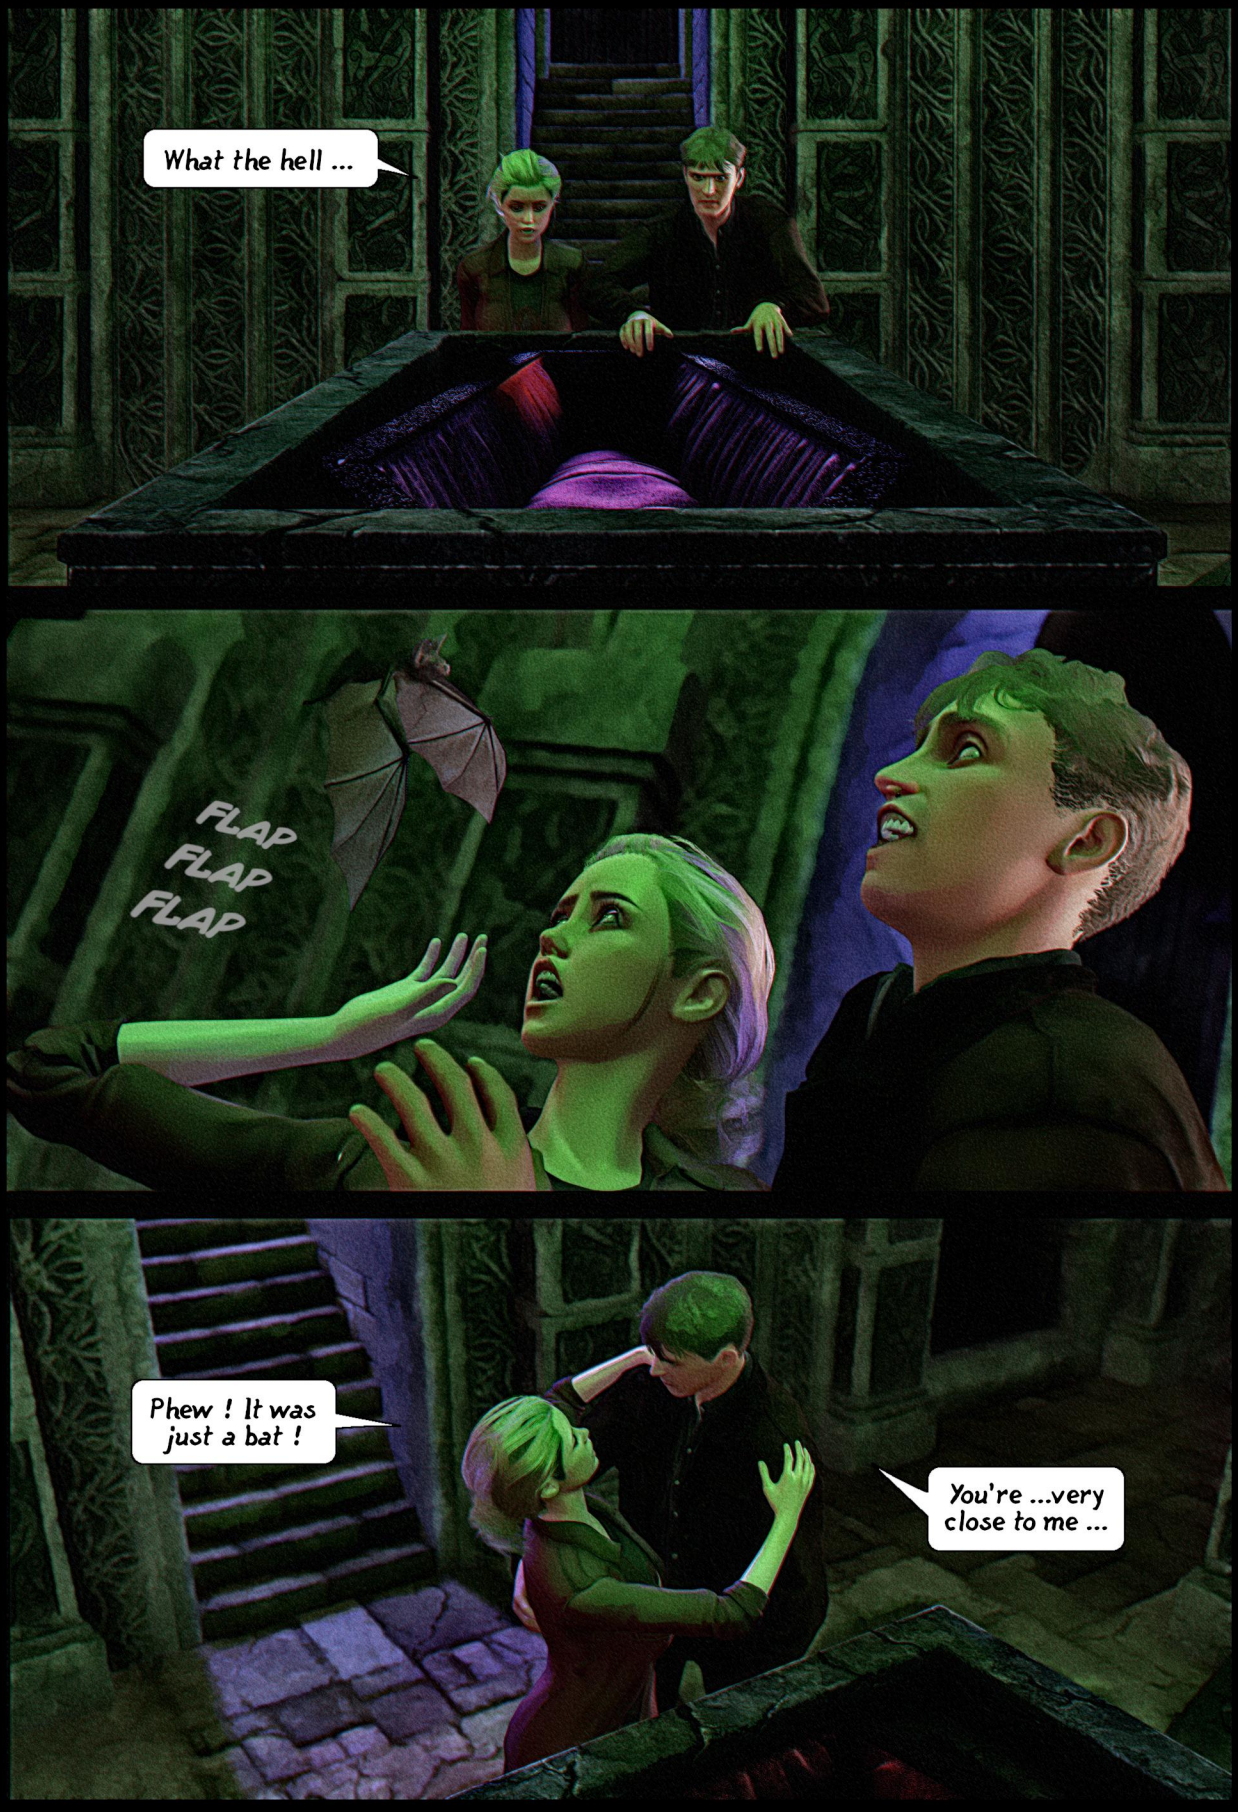

You know what, if we see a monster, I'm gonna fuck it !
You're such a freak !
Yeah, I'm a horny freak ...

So, who's your favorite horror writer ?
Lovecraft, I think ...
Ah ! "We live on a placid island of ignorance in the midst of black seas of infinity, and it was not meant that we should voyage far"
Wow, very Nice !
And you, what's your favorite ?
I'l have to say ... Bram Stoker !
Really ? So you're a Dracula fan ?
Yeah ... I have a huge thing for vampires ...
The ambiguity, the eroticism, the mix of fear and desire, pain and pleasure ...

I'm more of a werewolf guy ... I like it raw !
In the end I don't regret going in there ...
All those people, all those lives, where are they now ?
With love and hate, and passions just like ours ...
You know, I wanted to tell you ...
Hey ! look !

What the hell is that ?
Let's take a look ...

What the hell ...
FLAP
FLAP
FLAP
Phew ! It was just a bat !
You're ...very close to me ...

I kind of like it ... Don't you ?
O-Of course !

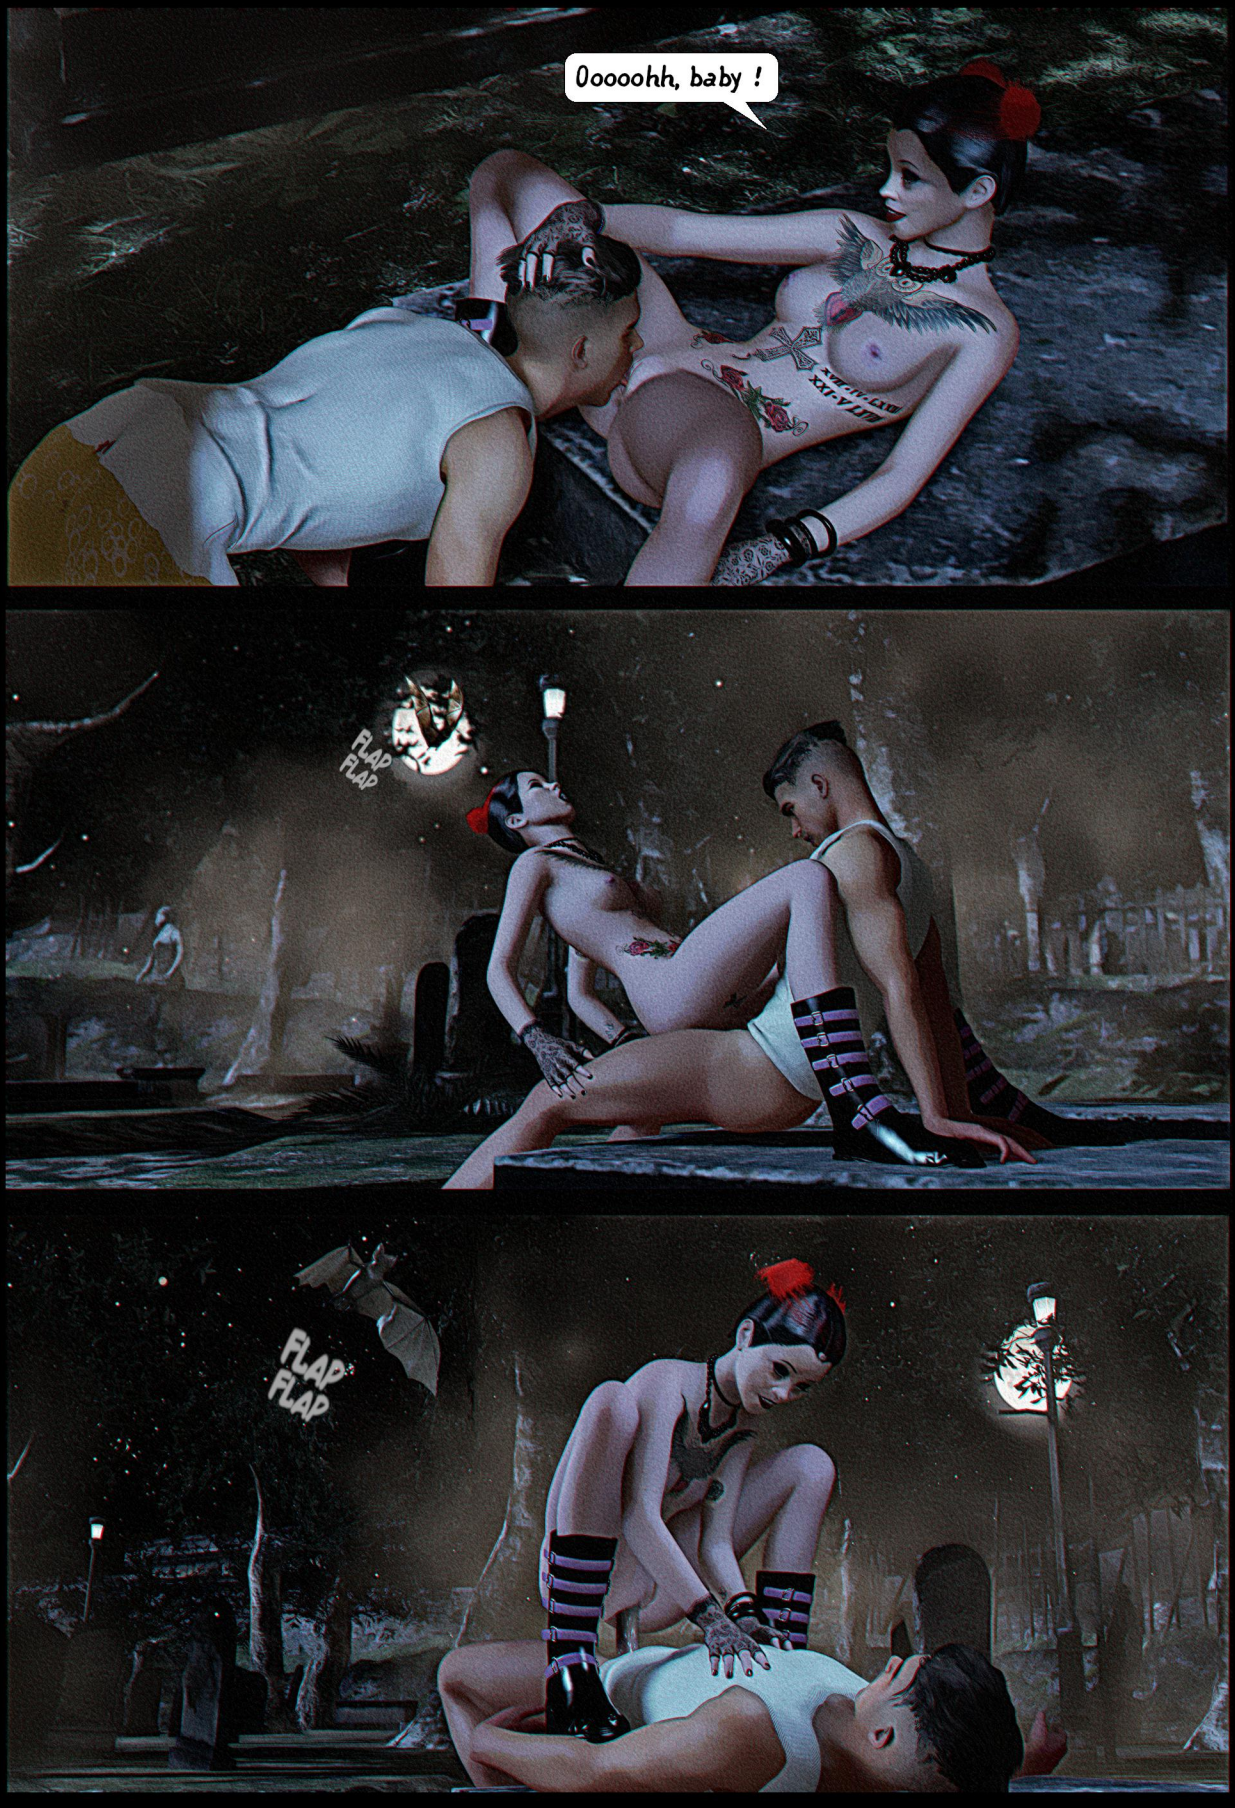

I'm gonna blow your mind ...
You like it ?
Yeah, baby !

Come here, big man ...

Oooooh, baby !
FLAP FLAP
FLAP FLAP

Oh, Baby !

Don't stop !
Oh, I'm gonna ...
AAAAAAAHHHH !!!

What are you doing back there ? I was almost there !
Oh, fuck !
You-you fucking killed him !
Hey ! That's Antivampirite blood libel !

He'll be fine, He's just passed out ... I only needed a pint of young male blood...
... To sustain this erection !
Say, you wouln't happen to have a vampire fetish, do you ?

You have such a nice dick !
You have such nice tits !

WOOF !
What ?!

Aww, Fuck ! Sorry guys !
I-I didn't mean to scare you ...

I... Yeah, I'm a peeping tom ... It's not something I'm very proud of ...

I came to see my vampire buddy ... And watch him fuck humans bitches ...
... But then I saw you ... And I couldn't resist.
I'm sorry ...

So, you like to watch, uh ?
Bring that raspy tongue over here ...

It's coming !
I didn't know Vampire cum tasted like pumpkin ! So good !
So ... Will you fuck me now, Mr Vampire ?
With pleasure, human girl, but ...

... But I haven't got enough blood left in me for another erection ... And I can't take it from your boyfriend, he's all used up ...
What ... is going on ...
Is that a vampire ?
Yeah, babe, it's so cool !
HEY !
A little quiet up there ?

Who dares trouble my eternal sleep ?
What a show off ...
We were fucking, my dear ... Why don't you join us ?

Well ... This is halloween after all ... The day of the living ...
And this one human is pretty cute ...

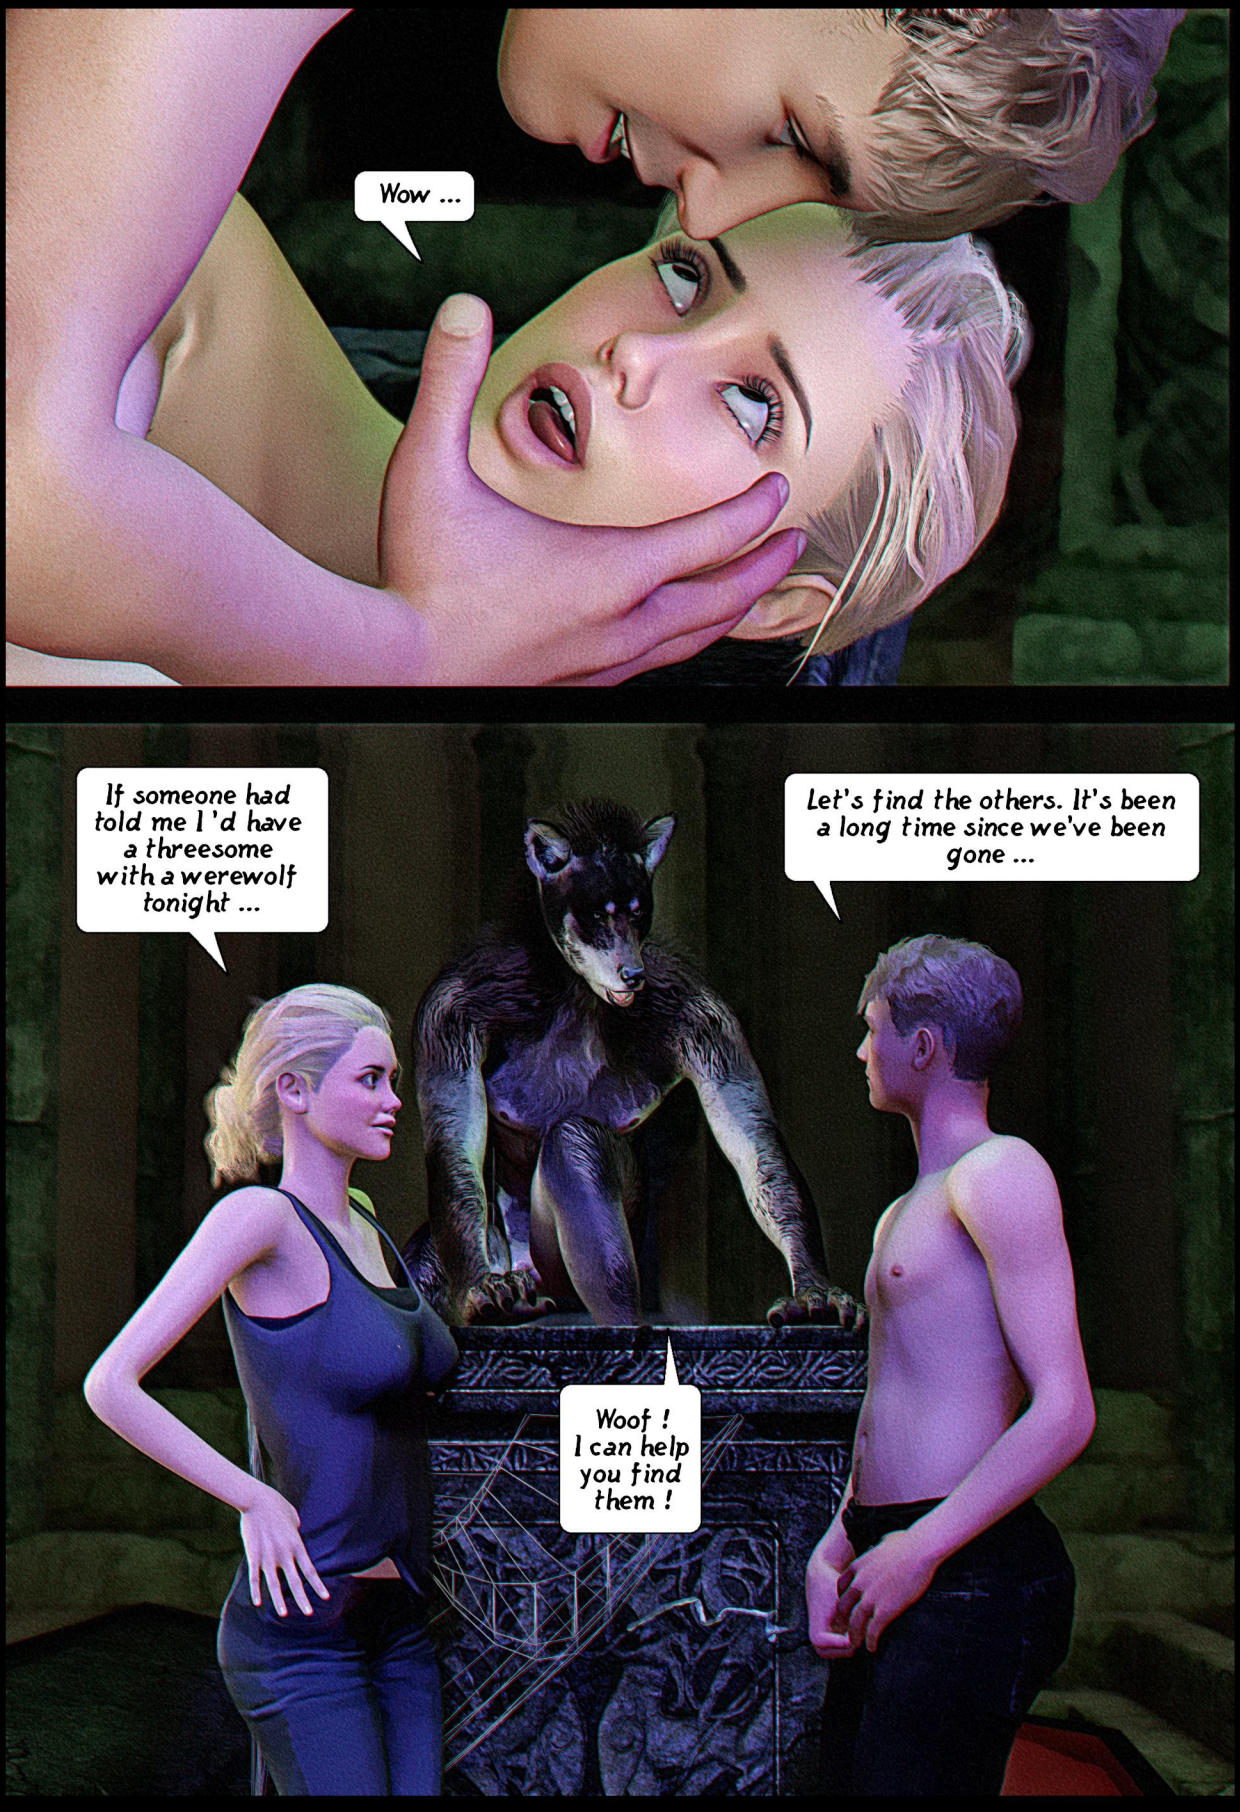

You female vampires are so lucky ! You don't need a bunch of blood everytime you want to fuck !
Oh, quit whining ...
What a shortsighted, lazy vampire ...
Where did I put it ... Ah !
MEDICAL PACK
Here ! Take my reserve ! Now, let's fuck !

MMMMMMHHHH !!!
I want you in my ass ...

OH !
It's so good !
Keep going !
YEEESSS !!!!

AWOOOOOO!!!!!

Wow ...
If someone had told me I'd have a threesome with a werewolf tonight ...
Let's find the others. It's been a long time since we've been gone ...
Woof ! I can help you find them !

I love you ...
Me too ... Like Poe loved Virginia ...
Do you smell them ?
Yes ... But ... I also smell two vampires ...
Fuck ! We have to save them !

They were here... And they had sex.
I also smell vampire cum ...
Vampire cum ?
Yeah,
it's a bit
like pumpkin ...
... I also smell a lot of
vampire vaginal fluid ...
